

Caldwell County Youth Football League

Exception Request Form

It is the desire of the Caldwell County Youth Football League Board of Directors for ALL football players to play in the school district where they will be attending middle school and high school. One of the primary interests of the Caldwell County Youth Football League is to have players playing with the same general teammates from 1st grade to 12th grade.

We realize valid exceptions may occur and we hope to honor these exceptions when warranted. If you believe you have a valid exception, please complete the form below and submit to the Optimist Club where you have registered. **For your exception to be considered, you MUST register with the correct Optimist Club first.** The three Caldwell County High School coaches will consider your request and notify the appropriate Optimist Club members of their decision.

Child's Name : _____

Parent's Name : _____

Residence Street Address : _____
